Reynolds 33 Catamaran

**How would you like to sail at 14 kts in 7 kts of breeze, reach 25 kts in 16 kts ?
Who wouldn't !!!**

Reynolds Design has created this "state of the art" catamaran for both racers and cruisers!

At these amazing speeds the R33 Catamaran is dry, roomy and will accommodate 4 adults in 2 separate cabins, each with it's own head, ice-box, mini galley and best of all, fits in a standard 14 foot wide boat slip.

The R33 can even be disassembled and legally trailered to far away places.

To weather she can tack through an amazing 70 degrees in moderate breezes! Downwind she is a train on rails. With two large cockpits and 300 sq ft of deck space there is room for everyone!

With a PHRF rating of -80, Racers will love the superb handling and feel, which allows her to out maneuver monohulls twice her size. For the cruising sailor the R33 is easy to sail, dry and comfortable. Her speed allows for quick passages to your favorite destinations in half the time. She can even be single handed without healing.

Find out if you qualify for an exclusive lease back program that can reduce your boat payments by half or more, making the R33 a very affordable dream!

Call your local dealer to sea trial an R33 Catamaran today!

LWL	33' 3"	Main	540 sq. ft.
Beam	14'	Jib	163 sq. ft.
Draft	12" boards up	Blast	385 sq. ft.
	60" boards dn	Screacher	590 sq. ft.
Weight	2975 lbs.	Spinnaker	1156 sq. ft.
Displacement	3800 lbs	PHRF	-80

On deck, the R33 has unmatched comfort due to the two large cockpits each sitting five adults, easy access to the outboard engine and 350 square feet of un-confining deck area for unmatched sailing comfort! Unlike the small cockpits found on monohulls and trimarans, the R33 nine foot long cockpits includes an inclined back and elevated

cushioned seating for five on each hull. It is lightweight, strong, dry and very, very comfortable.

Down below BOTH hulls offer the privacy and convenience of two large single berths, a head, ice box and stove for two persons. Pop-top hatches allow for a roomy 5'3" sit down headroom expanding to 6'5" headroom for standing and the large storage areas under the bunks allow for ample storage of gear
